

Vigil for Peace

## **Senator's Gillibrand and Schumer are making a big mistake.**

Senators Gillibrand and Schumer are playing a very bad role, working to sabotage the Iran nuclear negotiations. This is foolish at a time the talks are making such good progress.

Each Senator is a cosponsor of Senate bill (S. 1881), which calls for further sanctions on Iran and imposes harsh conditions on a final deal. If this bill goes to a vote and passes, it promises to destroy all the diplomatic progress President Obama has made with Iran so far. This bill is just what Iran's hard liners want. These conservative leaders in Iran's legislature now say that they will force Iran pull out of talks altogether if such legislation passes.

**If you haven't done so already, can you take a few minutes and call the offices of Senator's Gillibrand and Schumer urging them not to increase Iran sanctions at this delicate time in the negotiations.**

Call your Senator's offices in DC:

Sen. Chuck Schumer  
(202) 224-6542

Sen. Kirsten Gillibrand  
(202) 224-4451

When the person in your Senator's office picks up, say

"I'm a constituent of the Senator and I urge Senator \_\_\_\_\_ to oppose S. 1881, the Nuclear Weapons Free Iran Act of 2013, which would destroy the possibility of a diplomatic agreement with Iran by imposing new sanctions at this critical moment."
