

Vigil for Peace

Peace Action Endorses Occupy Albany

Upper Hudson Peace Action endorses Occupy Albany and its call for much greater income equality in our society.

The wars the US is fighting are draining resources from our society that could help meet the needs of the 99%.

Many millions of dollars spent on the wars has gone into the pockets of the leaders and stockholders of defense contractors and mercenary contractors.

The wars in Iraq and Afghanistan have been paid for entirely through borrowing, which has exacerbated the financial instability of our economy.

The tremendous debt that has piled up because of the wars has now led to efforts to reduce the debt by slashing social programs, inevitably leading to greater inequality in our society.

To build a better society, we need to end wars.

The Vigil for Peace was initiated by the Albany Friends Meeting and Peace Action.
