

Why We Vigil for Peace

- We believe it is important to witness to our sorrow and outrage at the suffering caused by war.
- We believe wars end when enough people speak out against them. This is one of the ways we, personally have chosen to speak out.
- We want to encourage others to find ways to actively work against war.
- We are joining thousands of others in towns and cities across the country protesting the wars in Iraq and Afghanistan. We believe our voices are being heard.

If you want to talk to someone about how you can work for peace, call Peace Action at 518-463-5907

The Vigil for Peace was initiated by the Albany Friends Meeting and Peace Action.
