

Americans Think U.S. Should Get Out of Afghanistan

69% of Americans say that the U.S. should not be involved in Afghanistan now. This is according to a New York Times/CBS poll taken March 21-25, 2012.

Clearly President Obama has the political support needed to speed up the U.S. military withdrawal from Afghanistan.

Here is an online Petition to President Obama that you can sign.

This Petition asks the President to begin an orderly reduction of American troops by June 1, 2012 and a complete withdrawal of all Americans by December 1, 2012.
